PLEASE NOTE:

- Large piles of leaves should be swept into the street, next to the curb.
- City sweeper or vacuum trucks will collect the leaves from the street.
- When possible, street cleaning will post signage the day before for large volume leaf pick-up.
- Not all city streets can accommodate leaf vacuum services. In those cases, leaves should be placed into brown PAPER BAGS and placed for curbside collection on scheduled recycle days.

PRIVATE CONTRACTORS

If you use a private contractor to remove leaves from your property, please coordinate your leaf removal in accordance with this schedule, or have your contractor bag your leaves in brown PAPER BAGS and place at the curb for pick-up on scheduled recycle days.

COMMUNITY CLEAN UP PROJECTS

To arrange a community-wide leaf clean-up and schedule collection, please call Wilmington 311. If calling from a landline, please call (302) 576-2620.

YEAR-ROUND YARDWASTE CURBSIDE COLLECTION REMINDER

All leaves and yard waste should be placed in brown PAPER BAGS and placed next to the curb for pick-up on scheduled recycle days.

Such items may include mattresses, furniture, appliances (refrigerator doors must be removed), rugs, and clothes.

WILMINGTON 311

Please use the 311 system for all City of Wilmington information or non-emergency service requests. To reach Wilmington 311, dial '311' if you are calling on your cell phone from inside the city limits, or (302) 576-2620 if calling from either outside the city or from a landline.
